

PROTOCOL ON CLAIMS, LEGAL PROCEEDINGS AND INDEMNIFICATION

To the

Framework Agreement

On a Multilateral Nuclear Environmental Programme
in the Russian Federation

The Government of the Kingdom of Belgium, the Government of the Kingdom of Denmark, the Government of the Republic of Finland, the Government of the French Republic, the Government of the Federal Republic of Germany, the Government of the Kingdom of the Netherlands, the Government of the Kingdom of Norway, the Government of the Russian Federation, the Government of the Kingdom of Sweden, the Government of the United Kingdom of Great Britain and Northern Ireland, the European Community, and the European Atomic Energy Community (hereinafter referred to as the Parties),

Reaffirming their commitment to achieving the purposes of the Framework Agreement on a Multilateral Nuclear Environmental Programme in the Russian Federation signed on 21 May 2003 (hereinafter referred to as “the Agreement”);

Convinced of the need to establish provisions ensuring that claims against the Contributing Parties and their personnel or contractors, subcontractors, consultants, suppliers or subsuppliers of equipment, goods or services at any tier and their personnel, for any loss or damage of whatsoever nature arising from activities undertaken pursuant to the Agreement are not brought by the Russian Party and, if brought by a third party, are indemnified by the Russian Party;

Have agreed as follows:

Article 1

1. The definitions contained in Article 2 of the Agreement shall apply to this Protocol as fully and effectively as if they were set forth in full herein.

2. For the purposes of this Protocol, the following terms shall have the following meanings:

Nuclear Incident: Any occurrence or series of occurrences having the same origin which causes Nuclear Damage.

Nuclear Damage: (i) loss of life, any personal injury or any loss of, or damage to, property which arises out of or results from the radioactive properties or a combination of radioactive properties with toxic, explosive or other hazardous properties of nuclear fuel or radioactive products or waste in, or of nuclear material coming from, originating in, or sent to, a nuclear installation;

(ii) any other loss or damage so arising or resulting if and to the extent that the law of the competent court so provides; and

- (iii) if the law of the State in which the nuclear installation of the liable operator is situated so provides, loss of life, any personal injury or any loss of, or damage to, property which arises out of or results from other ionising radiation emitted by any other source of radiation inside a nuclear installation.

3. For the purposes of this Protocol, whenever both Nuclear Damage and damage other than Nuclear Damage have been caused by a Nuclear Incident, or jointly by a Nuclear Incident and one or more other occurrences, such other damage shall, to the extent that it is not reasonably separable from the Nuclear Damage, be deemed, for the purposes of this Protocol, to be Nuclear Damage caused by that Nuclear Incident.

Article 2

1. With the exception of claims for injury or damage against individuals arising from omissions or acts of such individuals done with intent to cause injury or damage, the Russian Party shall bring no claims or legal proceedings of any kind against the Contributors and their personnel or contractors, subcontractors, consultants, suppliers or sub-suppliers of equipment, goods or services at any tier and their personnel, for any loss or damage of whatsoever nature, including but not limited to personal injury, loss of life, direct, indirect and consequential damage to property owned by the Russian Federation arising from activities undertaken pursuant to the Agreement. This paragraph shall not apply to the enforcement of the express provisions of a contract.

2. With the exception of claims for Nuclear Damage against individuals arising from omissions or acts of such individuals done with intent to cause damage, the Russian Party shall provide for the adequate legal defence of and indemnify, and shall bring no claims or legal proceedings against the Contributors and their personnel, or any contractors, subcontractors, consultants, suppliers, or sub-suppliers of equipment, goods or services at any tier and their personnel in connection with third-party claims, in any court or forum, arising from activities undertaken pursuant to the Agreement, for Nuclear Damage occurring within or outside the territory of the Russian Federation, that results from a Nuclear Incident occurring within the territory of the Russian Federation.

3. Upon request by a Party, the Russian Party or its authorized representative shall issue an indemnity confirmation letter to any contractor, subcontractor, consultant, supplier or sub-supplier confirming the provisions of this Protocol. A standard form of such Indemnity Confirmation Letter is enclosed as an integral part of this Protocol.

4. The Parties may consult as appropriate, on claims and proceedings under this Article.

5. Any payments related to the indemnification in paragraph 2 of this Article shall be made promptly and shall be freely transferable to the beneficiary in its national currency.

6. Contributors, contractors, subcontractors, consultants, suppliers or sub-suppliers of equipment, goods or services at any tier and their personnel may refer any dispute concerning the implementation of obligations under this Article to arbitration in accordance with UNCITRAL Arbitration Rules, if such dispute has not been resolved amicably within ninety days of its submission to the Russian Party. Any arbitration award shall be final and binding on the parties to the dispute.

7. Nothing in this Article shall be construed as acknowledging the jurisdiction of any court or forum outside the Russian Federation over third-party claims to which paragraph 2 of this Article applies, except as provided for in paragraph 6 of this Article and in any other case where the Russian Federation has pledged itself to acknowledge and execute a legal decision on the basis of provisions of international agreements.

8. Nothing in this Article shall be construed as waiving the immunity of the Parties with respect to potential third-party claims that may be brought against any of them.
