

Conditions for Release, Rules and Restrictions Applying to the Benchmark Specifications for the Fluoride-salt High-temperature Reactor (FHR)

The data and other experimental information are released under the following conditions:

- The data and information is exclusively released to participants in the FHR Benchmark Study.
- Recipients agree not to make copies of the information and not to further distribute or sell it to third parties.
- Recipients agree to provide feedback on deficiencies or errors they may find in the data.
- Recipients agree to inform the benchmark organizers before publishing any study results for which the FHR benchmark data have been used.

DISCLAIMER

Neither the Organization for Economic Co-operation and Development nor any person acting on behalf of the organisation assume any liability with respect to the use of, or for damage resulting from the use of the data and information released.

I agree to these conditions:
