

ONR Office for Nuclear Regulation

Hosted by Office for Nuclear Regulation (ONR)

Location and Accommodation

The Symposium will be hosted by ONR in Liverpool, United Kingdom. Liverpool can be easily reached internationally by air and train.

Manchester Airport is easily accessible by train from Liverpool. London Heathrow Airport is approximately three hours by train.

Venue Address:

Office for Nuclear Regulation
Redgrave Court
Merton Road, Bootle
L20 7HS

Travel Guidance – Please download this link: www.onr.org.uk/documents/redgrave-court.pdf

Redgrave Court is easily reached from Liverpool by Taxi or by Metro. The simplest thing to do is to use Google Maps and ask for directions to L20 7HS. Google Maps will provide instructions on the correct Metro station. You must purchase a paper ticket from the shop within the metro station (a return ticket is approximately £4). The journey from central Liverpool to the ONR offices takes approximately 30 minutes.

Accommodation Recommendations

The following hotels in Liverpool City Centre are recommended and are close to Metro stations. Many other hotels in Liverpool are available. All city centre hotels are within walking distance of the Metro and local restaurants. No discounts are available.
